In this reimagining of the classic tale, Cinderella's plight under her cruel stepfamily is upstaged by her unlikely friend Buttons, who finally gets to tell his untold tale! With the help of a Fairy Godmother and a bit of magic, Cinderella attends Prince Charming's charity ball, where Buttons' attempts to connect with her are overshadowed by the Prince's attention. But will Buttons meet his own disappearing damsel, or will he be forever vying for Cinders' attention? With a mix of comedic mishaps and heartfelt moments, this original twist on a traditional tale will follow in the footsteps of our previous two pantomimes providing fun for the entire family!
