Audition notice

Jab is a two hander:

Anne 40's - 50's NHS worker

Don 50's - 60's Vintage shop keeper

The play is set during 2020-2021 and is based on the true story about a breakdown of a long marriage during the Covid pandemic. They fall out over the question/dilemma: should they have the vaccine or not? It's satirical, funny, brittle, biting, physical, savage at times. The actors are on stage during the whole play.

All enquiries can be sent by email to: Auditions@bobhopetheatre.org.uk
